Thanks Keith. Let me take a look, but I think you attached the wrong file. The attached looked like the Word version of the 2/22/21 ECEL.

Ex. 5 Deliberative Process (DP)

The new ECEL document is attached with Appendix A complete. Crossout text indicates needed language changes, and highlighting indicates differences from the first ECEL in the calculations.

Hi Keith,

Yvette said she had talked with you and you said it wouldn't be hard to do, so I thought that meant she had indicated to do it because we've been directed by the AA to have both numbers in the rulemaking.

Ex. 5 Deliberative Process (DP)

Happy to chat about the language for the memo if you want. Thanks, Joel

Joel,

Just checking in – Sheila informed me that you asked about a status update on the TCE ECEL for cardiac effects. To be honest, I was not aware that this was being explicitly requested.

Ex. 5 Deliberative Process (DP)

Do you just need the numbers for now?
